

“12th Automotive World 2020”

**We will attend “12th Automotive Electronics Technology Expo”
Looking forward to your visit to our booth No. A12-21**

Dear customers,

We thank you very much for your continuing support to us.

We are going to attend “12th Automotive Electronics Technology Expo”, and highly appreciate if you could drop by our Booth.

We will exhibit the latest technology about “High Temperature Resistant Epoxy Potting Resin for Power Semiconductor Module”, “Thermal Simulation Analysis with our Thermal Conductive Resin”, “Thermal Conductive Polyurethane Potting Resin”, “Conformal Coating for PCB Protection”, and “Room-temperature Curing Electrically Conductive Adhesive”.

If you need Invitation Tickets or have some projects to discuss with us, you are kindly requested to contact sales person in charge of your company or to inform us through “Inquiry” of our WebSite.

Looking forward to your visit to our booth.

Dates : 2020, January 15 (Wed) – 17 (Fri) 10:00 – 18:00
Venue : Tokyo Big Sight, Japan
Aomi Building – CAR-ELE Japan Zone: Booth #A12-21
Exhibitor : Pelnox, Ltd.

Very truly yours
