
“Sensors expo & conference 2018 ”

We will attend “Sensors expo & conference 2018, San Jose, CA”

Looking forward to your visit to our booth No.1343

Dear customers,

We thank you very much for your continuing support to us.

We are going to attend “ Sensors expo & conference 2018 “, which is to be held at McEnery Convention Center SAN JOSE, CA on 27 & 28 June 2018.

We will exhibit various resin compounds used for automobiles and smart-house. We would like to collect information requested for newly designed sensors, of which demand has been increased, and to discover potential customers. Looking forward to your visit to our booth.

Dates : 27 June 2018 (Wed) 10:00 – 18:00
28 June 2018 (Thu) 10:00 – 16:00

Venue : McEnery Convention Center
150W. San Carlos Street
San Jose, CA 95113
Booth Number: 1343

Exhibitor : Pelnex, Ltd.

Very truly yours
